If anyone knows about access platform parts...

it's the team here at IPS!

Huge Selection of Manufacturer Parts

We stock common parts for a range of access platforms and lifting equipment, including major brands like Genie, UpRight, Snorkel, JLG, Pop-Up, Nifty-Lift and more...

Next Day Delivery

Fast and efficient next day delivery service throughout Europe. We stock over 4000 replacement parts in the UK, available for same day shipping. You can place orders up to 4.30pm GMT, UK for next day delivery. Standard delivery options available.

Local distributors may offer a variety of shipping options to suit your requirements.

Affordable Prices

All our parts are competitively priced. The bonus? As a single source supplier, we can provide several manufacturer brands in the same shipment....saving you £££'s on freight charges.

Technical Advice and Support

Our team are here to help! Technical advice, parts availability, product knowledge, pricing, delivery lead times.... whatever you need, our experienced team will do their very best to help.

Easy Ordering with IPS

Order by phone, fax and email, or log on to our website at **www.ipspartsonline.com**. No matter what your preference, a member of our parts team will be available to assist.

UK office hours are 08.30am to 05.30pm GMT. Contact your nearest distributor for local office hours.

Hassle Free Returns

Customer satisfaction is our number one priority. If you are not happy with the product you have purchased, or there is a problem with your order, our team will resolve the issue promptly.

Cost Effective Parts Management Solutions

Our custom designed stocking solutions give our customer's greater accessibility to fast moving parts! Increase the efficiency of your parts stock management with the below systems;

- **Parts Pal** - For when you're on the go! Fast moving parts are stocked in this handy carry case, ideal for taking onto site.
- **Stock Management System*** - Specifically designed to facilitate the stocking and management of fast moving parts, this on-site system is installed within your depot rental network and is tailored entirely to your fleet. The stock is replenished at regular intervals.
- **Mobile Parts Sales Vans*** - Get your parts delivered direct to your door....our mobile vans stock nearly 400 line items...the best bit? No delivery charges!
